Greene Athletics Sports Registration: FamilyID

We are excited to announce that we are using FamilyID online registration for all sports sign ups (www.familyid.com). FamilyID is a secure registration platform that provides you with an easy, user-friendly way to sign school policies, such as handbook agreements and acceptable use policies, and helps us to be more administratively efficient and environmentally responsible. When you register through FamilyID, the system keeps track of your information in your FamilyID profile. You enter your information only once for each family member for multiple uses and multiple programs.
