Its' a snow day
Hip hip hooray
Snow is coming, it's on its way
People are snuggling in their beds, waiting
For snow to come so we can play
Three feet of snow
Who cares any way
Too tall to jump, too tall to play
December, January, February
Maybe March too
Snow is here for you and me too
Flowers are blooming
Geese are heading south
We are buried in snow, so please help us out
We might go virtual a day or two
So have fun while you can
