

Greene CSD to hold parent informational meetings

The Greene Central School District will hold three informational meetings for parents in regard to the district's reopening plan.

The meetings will be held on Tuesday August 18th at 12:00pm, Wednesday August 19th at 10:00am & 6:00pm. Due to construction, parking will be an issue we encourage people to participate via Zoom (links will be available Monday, August 17). If using Zoom is an issue for you we will allow people to join us in the middle/high school auditorium. Fifty people will be allowed to attend in person for each session (reservations required).

The sessions will run no more than 45-60 minutes. Each session will be the same presentation, giving parents the opportunity to see it when it's best for them. We have posted a frequently asked questions document on the GCS reopening page to allow you to get answers to some of the most asked questions. We will continue to update this document as we receive questions and after the community sessions.

For those who would like to attend in person, please call 607-656-4161 ext. 214 to make a reservation. Please call at least one day prior to the session you would like to attend. Please note, a face cover is required at all times. Before entering, you will have to fill out a health questionnaire and have your temperature taken. Social distancing guidelines will also be in place.

Finally, we are asking you to email questions to us prior to the community sessions so that we make sure we are able to address them during the sessions. You can send questions to communication@greenecsd.org.
