

Greene Central Primary School

127 Elementary Lane
Greene, New York 13778

(607) 656-4161

For the second year, the Greene CSD will be able to hold summer enrichment as an extension to our community JRC program. We are fortunate to have several teachers with great proposals who will be working throughout July to provide these unique opportunities for our K-6 students. In addition to JRC swimming that is required for all kids, students can select classes below. You may choose classes from each week of the program. For example, week 1 -bowling, week 2- sign language, and week 3-math games. Please rank the classes you want to participate in with #1 being your top choice, #2 your second choice, etc. for each week.

Registration forms are due to your child’s school by June 2, 2023. Reminder: students must be signed up for JRC to be involved in GCS summer enrichment.

Student Name: _____

Grade for 22/23 School Year: _____

NOTE: Week 2 and Week 3 classes are on the back of the sheet.

Week 1 July 10th to July 14th			Rank the activities you want to participate in for Week 1
