

## The Greene Central School District Announces Superintendent Candidates

### **Mr. Aaron Kaminsky**

Mr. Aaron Kaminsky has worked in the Whitney Point central school since 2017. He is currently the Director of Special Services. Previously he worked as a secondary science teacher, an assistant principal for 4 th -8 th grades, and as an elementary principal. Mr. Kaminsky has had twenty-six years of experience in education and feels the experience has helped him to understand how to navigate the challenges that small schools face when preparing students for the ever-changing world. He brings a passion for education, a commitment to collaboration, and a dedication to fostering a nurturing learning environment for all students. Mr. Kaminsky believes that his leadership characteristics, when combined, can empower educational leaders

to drive positive change in curriculum and instruction development, ultimately benefitting students and the broader educational community.

Mr. Kaminsky grew up just outside the Greene district's borders on Beartown Road in the Chenango Forks Central School District. Currently, he lives in Vestal Center with his wife, two sons, and their dog. He loves spending time with his family, working outdoors, and supporting the local community. For the past nine years, he has acted as the director and coach for the youth wrestling club and serves as the vice president of Vestal's wrestling booster club. Additionally, he has volunteered for a number of other organizations and initiatives, such as little league baseball, football boosters, the Vestal Recreation Department, and various flood recovery efforts.

### **Lisa-Marie Carter**

Mrs. Lisa-Marie Carter has worked in the Oswego City School District since 2017. She is the Executive Director of Special Education and Student Services and was previously the Director of Special Education. In her current role, she has supervised, evaluated, and supported teachers, psychologists, and counselors; monitored curriculum implementation and

alignment; reviewed student academic progress; planned professional development; overseen grant programs; supported the budget process; and collaborated with building and district staff and families to improve student outcomes and growth. Before this role, she held leadership positions over the past fifteen years as an Assistant Director, Director, Principal, and Assistant Principal. These experiences have reinforced her belief that all students can be successful with the right support.

Mrs. Carter brings her experiences, expertise in supporting all learners, and a deep understanding of curriculum and assessment to Greene. Coupled with strong values in transparency and honesty, Mrs. Carter's experiences and personal beliefs about educating students contribute to her ability to lead teams toward the goals of a world-class education, improved communication, and transparency. In addition to her wealth of professional and practical experience, Mrs. Carter has demonstrated her commitment to continuous learning through her educational journey and is a doctoral candidate in the Performance Improvement Leadership program at Capella University.
