When completing your application, be sure to enter, at the top of page 1, the examination number which identifies the examination for which you are filing.

### **B. ADMISSION TO EXAMINATION**

Do not interpret a notice to appear for, or actual participation in the examination, to mean that you have been found to meet fully the announced requirements.

Depending on the time available before an examination, applicants may be admitted to the examination on the basis of statements made on the application or conditionally, without prior review of the application. Such statements may not be reviewed and/or verified until after the examination is held. At that time those candidates not meeting the requirements will be disqualified and notified of such disqualification. Those candidates who are subsequently disqualified after taking the test may NOT be notified of their score.

Call this agency immediately if you do not receive a notice within three days of examination informing you whether or not you are to be admitted to the examination.

#### E. VETERANS' CREDITS

If you are making a claim for veterans' credits with this application, be sure you read the following information very carefully.

Any claim for additional credit as a disabled or non-disabled veteran for the examination should be made with this application. If you are claiming veterans' credits, you must check the appropriate category in question 9A and answer all questions 9.A-B.i-iii. Failure to do so accurately and completely may result in a denial of your claim.

If you are claiming credits as a disabled veteran, you must, in addition to meeting the requirements as indicated by a "YES" answer to questions 9.A and 9.B, and a "NO" answer to question 9.B.iii, be certified by the veterans' administration as being entitled to receive payments for a service-connected disability rated at 10 percent (10%).

Persons claiming credit as disabled veterans will be contacted by this agency for additional information as necessary.

All claims and grants of veterans' credits are tentative and must be verified through inspection of discharge papers and other related documents, as necessary, prior to the establishment of the eligible list. You will be advised as to which documents must be produced by you for this verification. All statements you make in support of your claim for additional credits are subject to investigation and substantiation by this agency.
